We dedicate *The Spirit of '59*
In gratitude.

Tempered with the wisdom of the ages,
Bearing the stamp of wisdom and forthrightness,
Your lessons, and your counsels
Have shown us, persistently and patiently,
The navigable, but dangerous course straight to God.
In us you have seen the capacity for greatness —
Christ's likeness —
And carefully and humbly —
As a captain steers his ship
Through calm and storm —
You have taught us how to battle against all
The fierce and evil forces
To keep us on our course.
You have shown us how to know and love
The things of God.
Thank You.

FALL...

Upon each little seed,
Ready for planting,
Hangs a future of mediocrity or greatness.
By Nature's relentless workings
This seed will be a tall white lily,
That one, a strong, stubborn oak,
These will yield a field of golden poppies,
And those sad weeping willows,
And so it is in each little seedling
Lie potentialities.

*I know
I, a real sweetie
who it has been loads
of fun with, the you
most special sister. Be
good. Love ya
Karyl.*

WINTER...

The ground is bare,
The trees are empty;
Nature is waiting, watching,
Her facade seemingly still and dark.
But movements, small and steady,
Are stirring beneath the soil,
Growing and feeding,
Readying for the moment of freedom.

*Jo Ann

a great party
with lots of good
food. Will keep
your money she
loves it

Ther.*

SPRING...

The breakthrough is complete.
The buds have appeared,
Beneath the smiling skies,
And the wind, free, wild, and hardy,
Blows with the gustiness of youth.
Slowly but surely, maturity steadies and builds,
While exuberance exalts the spirit.

SUMMER...

Warm and bright with sunshine,
Colors spill out in full and glorious tones.
The seedlings now fully developed
Glow with life —
Time has wrought the biggest change of all —
Growth, and maturity,
Born from the potentialities
Of the infinitesimal seed.

*Jo Ann
It's been loads
of fun again. I
am glad to see
you are all
growing up.

Our Bishops

His Excellency Bishop Aloysius J. Willinger is the guiding force behind San Joaquin Memorial. He has many plans for the future development of the school, which, on completion, will greatly facilitate the efficiency of operations.

Auxiliary Bishop Clinch is Executive Chairman of the new School Board which at present is working to unify policies which are common to all the schools of the Monterey-Fresno Diocese. Before being transferred to Carmel Mission as administrator, Bishop Clinch, while pastor of St. Mary's Church in Taft, directed the building of a completely new parish plant — including Church, Rectory, School and Convent

Presidents—Kathryn Lindauer and Jim Leong

Student-body presidents, Kirtje and Jim, are two very popular people at S.J.M. Alert, serious, and active, they carry out their numerous duties cheerfully and efficiently. Kirtje still has time to be secretary of the North Shasta League and a member of the Pep Girls. Jim is also a member of the N.S.L. and a top-ranking member of the C.S.F.

One of the important organizations at San Joaquin is the student body government. In functioning the Student Council makes those decisions pertinent to the well-being of the student life. Representing the students, this council plans and regulates the many activities which help stimulate school spirit. The class presidents, the heads of the various major organizations and the student body officers form the council under the direction of the principals of both departments.

Included also in the work of the Student Council are the planning of the activity program, designing student cards, interpreting the fine points of the Constitution, taking care of the student court, and representing S.J.M. at any Fresno meeting of high school students

The dominant spiritual organization of the girls' department is the sodality of Our Lady. In fulfilling the primary object, the attainment of personal holiness and the development of an active Catholicity, the members follow daily the motto, *Ad Jesum per Mariam*. They strive to become Christ like by imitating the virtues of His Mother. Through the formation of various committees, the sodalists achieve the secondary purpose of the Sodality, the spiritual and corporal works of mercy

Leaders in Our Lady's organizations—Ken Kryzwicki, Catherine Heck, Judy Cleary and Tim Menezes

In the boys' department the Marian Knights is the group through which spiritual and religious formation is developed. Membership in the Marian Knights is voluntary, and anyone who wishes to become a member must serve one year as a probationer before being received into the organization. The Marian Knights also strive to become Christ-like through imitation of Mary

Throughout the year the girls are active in all types of sports. Bowling, new this year, kept them busy in League competition every Wednesday after school. Spring is here and swimming suits and tennis rackets have been brought out of their winter hide-outs. The campus is again alive with participants in these spring sports. Tennis matches, swim meets, swim meets, tennis matches alternate in swift procession, for these sports have always been most popular at S.J.M. In the past rivalry within the League has been high, and this year proves no exception.

The boys' swim team, having lost most of its veteran swimmers, is young and inexperienced, but that has not daunted its fire and enthusiasm. The girls' swim team, consisting mostly of veterans of other years, is a strong contender for the league honors.
